

# Birdcraft Museum Birthday Parties Spring & Summer 2009

**Celebrate your child's birthday  
with Connecticut Audubon Society!**

## *Signs of the Season*

(ages 3 and up)

Explore the seasonal changes in habitats and animals that occur during your birthday season.

## *Ponds and Puddles*

(ages 4 and up)

Through games, props and puppets we'll discover the wonders of water habitats. Come explore how animals live in and around ponds and puddles.

## *Who's Awake? Me, Too!*

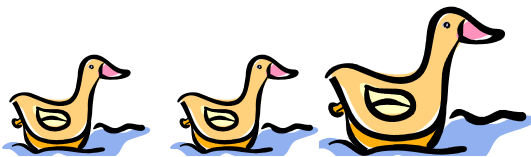

(ages 5 and up)

Who's just waking up when you go to sleep? What animals are moving around while you are snug in your bed? We'll test our senses and discover which senses work best for animals awake at night.

## *Dino Dig*

(ages 5 and up)

Have you ever wondered which dinosaurs lived here long, long ago? Become a paleontologist for the day as we dig for "bones" and uncover mysteries of the past.
