Slither & Slime

What's slippery? What's slimy? Ever been eye-to-eye with a reptile? How far can a frog jump? Do snakes climb trees? We'll puzzle out the answers as you meet some of our amazing creatures. Program includes live animals and props.

"C.S.I." Eco-Investigators

(ages 7 and up)

Who's been visiting our backyard? Learn the tricks behind the science of sleuthing. No animals were seen
